WITH APPRECIATION AND GRATITUDE THE 2025 MAINE SENIOR GAMES RESULTS BOOK IS DEDICATED TO

KAREN REARDON

For the past three years, our Games Coordinator has been at the heart of our mission — revamping, expanding, and strengthening our program in ways that will be felt for years to come.

Karen Reardon was a spearhead for the Maine Senior Games, always being the first to celebrate a success and having a solution for any bump in the road.

Through every new addition and every thoughtful improvement, she never lost sight of what matters most: the sense of community these Games were built on.

Her passion, leadership, and care have shaped not just a program, but a community built upon mutual interest and competitive spirit. While she will be deeply missed on the team, we're grateful she now has more time to spend with her pup and to fully dedicate herself to the sport she loves.

Thank you for everything you've given to our Games and our community. Your dedication to our mission has ignited spirit of the Games.
